Information by the Board of Management on the Share Buyback Program 2023

The Board of Management of Daimler Truck Holding AG resolved on July 10, 2023, with the approval of the Supervisory Board, to launch a share buyback program as of August 2, 2023 and to acquire its own shares (ISIN DE000DTROCK8) at a total purchase price of up to EUR 2 billion (not including ancillary acquisition costs). The program is scheduled to be completed by August 1, 2025 (including).

The acquisition of treasury shares was initially based on the authorization from the Extraordinary General Meeting of November 5, 2021 (role of deed No. 3491/2021 S of notary Dr Stephan Sünner, Stuttgart) until this authorization was revoked by resolution of the Ordinary General Meeting of May 15, 2024, and has since been based on the authorization from the Annual General Meeting of May 15, 2024.

The acquisition of the shares takes place on the stock exchange in two tranches:

In the first tranche, 31,083,593 treasury shares with a pro rata amount of EUR 1.00 each in share capital were acquired in the period from August 2, 2023 to August 30, 2024 for a total amount of EUR 1,031,744,780.38 (not including ancillary acquisition costs). These shares were redeemed with effect from November 5, 2024 and the share capital was reduced accordingly.

In the second tranche, treasury shares shall be acquired for a total amount of up to EUR 968,255,219.62 (not including ancillary acquisition costs) but in any event no more than 51,211,595 shares from September 17, 2024 to August 1, 2025. These shares are to be redeemed and the share capital is to be reduced accordingly. During the period from September 17, 2024 to May 20, 2025, 22,194,969 shares with a pro rata share capital amount of EUR 1.00 each were acquired for a total amount of EUR 809,596,530.13 as part of the second tranche. These repurchases as part of the second tranche correspond to 2.80% (rounded) of the Company's current share capital. 12,100,316 of these shares were acquired in the period from the balance sheet date to May 20, 2025 for a total amount of EUR 449,748,975.11. Due to the temporary interruption of the share buyback program around the Annual General Meeting, this status corresponds to the status on the day of the Annual General Meeting.
